ACTIVITY

Story Time

What You Need: The Book, "My Messy Room"

What You Do: Gather the children together onto the carpet and read the book, "My Messy Room".

What You Say:

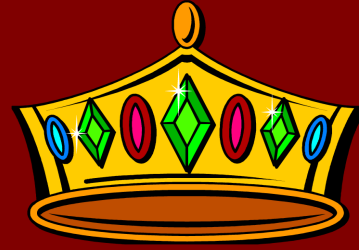

"Her bedroom was pretty messy. What made her room look messy? (Have the children give individual answers.) Your absolutely right all those things sure do make a room look messy. In our Bible story, God's people looked a lot like this messy room. They filled their lives with so many things that they had no room for God. What would we have to do to help the little girl clean her room? What would God's people have to do to clean up their lives? Say, God's people needed to be cleaned up. Cleaning takes time, and it isn't fun. However, even though, God's people made a lot of mistakes, God ALWAYS loved them!"

ACTIVITY

Hear and Do

What You Need: Masking tape and a large feather.

What You Do: Use the masking tape to make a large square on the floor. Make it large enough for all the children to fit in it and have room to move around. Tell the children to get inside the square. Explain that they have to stay inside the square while playing the game. Tell the kids that you will throw the feather up in the air and call out an action, like jumping on one foot, spinning around, waving your arms, etc. The children will have to do that action until the feather hits the ground. As soon as the feather touches the ground, all the children have to freeze until you throw the feather in the air again and call out another action.

What You Say:

At the start of the activity: "You are going to need your very best listening ears to play this super fun game. Did you bring them today? Make sure they are on straight. (*Pretend to straighten your ears.*) Okay, listen up while I tell you what to do."

At the end of the activity: "Whew! That was fun! You did a great job hearing what I said and then DOING what I said. We learned from our story today that God wants us to listen and do what He says. However, God loved his people even when they made mistakes. God ALWAYS loves us too! That's right! So keep those listening ears on so you can HEAR and DO what God says."

ACTIVITY

Green Light

What You Need: Three pieces of black cardstock; yellow, red and green construction paper; three paint sticks; glue; masking tape; and scissors.

What You Do:

Before the activity: Cut a large circle out of each color of construction paper. The circles should all be the same size. Glue one circle to each piece of black cardstock. Tape one piece of cardstock to each paint stick. This will give you a red circle, yellow circle, and green circle to hold up during the game.

During the activity: Line the children up shoulder to shoulder facing you. Hold the different colored circles behind your back. When you hold up the yellow circle, guide the children to say Jeremiah 29:11 slowly. When you hold up the green circle, guide them to say Jeremiah 29:11 quickly. When you hold up the red circle, guide them to stop and not say anything. Once you have played through the colors a few times, begin letting the children take turns holding the circles.

What You Say:

At the start of the activity: "God wants me to do what He tells me. Our Bible verse says that God has a plan for our lives. So, how do I know what to do? God will teach me. That's right! God will teach you."

ACTIVITY

God's Message

What You Need: God's Message Activity Page and color crayons or markers.

What You Do:

Have the children look at the pictures and color the items that might give them God's message.

What You Say:

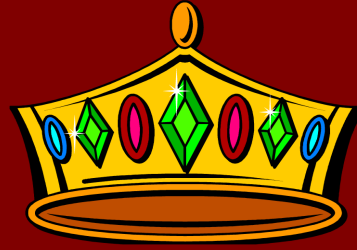

We can hear God's message many different ways. The easiest way is to read the Bible. The Bible is a very special book. It is different than any of these other books. The Bible has God's words in it, and it is always true. The Bible is full of lots and LOTS of stories that help us learn what to do and help us to know God. Our story today was from the Bible and taught us that God loved his people even when they made mistakes. I hope you always remember that God ALWAYS loves you!

CRAFT

Bible Book

What You Need: "God Facts", "Picture Ideas", light colored cardstock, paper, washable markers or crayons, scissors, and a stapler.

What You Do:

Before the activity: Make a copy of "God Facts" on light colored cardstock for each child. Make one copy of "Picture Ideas" on paper for the leader.

During the activity: Each child will make a little Bible book filled with things the Bible teaches us about God. Give each child a copy of "God Facts." Instruct them to cut out the fact cards by following the dashed lines. As the children finish cutting out their cards, walk around and staple the booklet together. Talk about each God fact as the children draw pictures to go with each one.

What You Say:

At the start of the activity: "The Bible teaches us about God, right? Well, what ARE some of the things it teaches us about God? How about we talk about some of those things and make a little book to help us remember them?"

At the end of the activity: "Let's read our new little books together. (*Read aloud the pages.*) Wow! God is AWESOME! He's the best teacher EVER! He loves us so much that He put His words in the Bible to teach you and me about Him. He also put His words in the Bible to teach us what we need to know AND what we need to do. God is always there to teach us. So tell me, how do you know what to do? God will teach me."
