### Jesus is My BFF Camouflage Bracelets

Help the children make a camouflage bracelet that will remind them that Jesus is their best friend.

#### What you need:

Pipe cleaners (one per child) and camouflage pony beads.

#### What to do:

Give each child one green pipe cleaner and let them enjoy the fine motor skill challenge of stringing beads on to the pipe cleaner. Kids can make patterns with the beads or choose a random layout, whatever they like.

### GAME:

#### Finding Flags Game:

#### What you need:

Several different colored flags with various amounts written on them.

#### What to do:

Split the group into two teams. Hide the flags in various places throughout the Elementary Worship Center. The object of the game is to find as many flags as you can. Once all the flags have been found tally up the amounts on the flags and see which team won (# of flags & total amount). Repeat as many times as time allows and as kids are interested.
