ACTIVITY 1

God Gives Me People to Help Me.

How Can I Help

What You Need: Ball

What You Do:

Before the activity: Instruct the children to sit in a close circle with you in the middle.

During the activity: Ask the children one by one who they can help and then roll the ball so they can answer the question. Once they answer, ask them to roll the ball back to you and then continue with the next child. Continue as long as there's interest.

What You Say:

Before the activity: "God wants us to help everyone that we can. Everyone can be a helper! Let's play a game to see who we all can help."

During the activity: "I want everyone to think of one person that you can help in your heads. Don't say it out loud; I want you to keep it right here (*point to forehead*). When I roll you the ball you can tell me who you can help and then roll the ball back to me. Got it? (*Pause*.) Let's play!"

At the end of the activity: "WOW! Look at all the people we can help! God likes it when we help each other. God always takes care of us and sometimes He sends people to help us when we need it. Today in our lesson we heard about someone who needed help, do you remember who helped him?"

May Memory Verse -
"My God will meet all your needs."
Philippians 4:19 NIV

Fresh Bread

What You Need: Play-Doh®.

What You Do: Show the children how to make bread loaves with Play-Doh®.

What You Say:

During the activity: “Come sit with me! I’m going to show you how to make bread with this Play-Doh® Yum! I love bread! Let’s pretend to make bread out of our Play-Doh®. Everyone watch and listen to what I do and say and let’s make some terrific bread together! Look! We have Play-Doh® that looks like bread.”

(After the children make some loaves.) “Let’s pretend this is fresh bread right out of the oven. Mmmm, it smells so good! I love fresh bread! Let’s count and see how many loaves we have. One, two, three ... loaves of bread!”

At the end of the activity: “Making bread is fun, but eating it is even better! A woman helps a man named Elijah, by making him some bread in our Bible lesson today.”

May Memory Verse -
“My God will meet all your needs.”
Philippians 4:19 NIV

During the activity: "Search inside the bin to find some of the things that God provides us that we need. When you find something, we will all say our Memory Verse together. *(Allow first child to search bin.)* Great job! We need *(name item)*. Let's all say our Memory Verse. 'My God *(push both palms up into the air)* will meet *(bring both hands together in front of you in a clap/clasp on the word 'meet')* all *(do jazz hands from above your head down to each side)* your needs' *(jump and land with your hands on your hips and your feet planted like a cheerleader)*, Philippians 4:19. *(Open hands like a book.)* Awesome! The goal is for the children to help one another keep the foam ball on the parachute no matter how much it gets tossed around! Make sure to say the words "help one another" as often as possible throughout the activity.

What You Say:

During the activity: "I need some friends to help me spread out this parachute. *(Assist the children in holding onto and spreading out the parachute.)* Yay! Thank you! Now let's all stand around the parachute. Good job! Bend down and grab an edge and then stand back up. Now we're ready to play! I'm going to put this ball on the parachute and we have to help each other keep it on the parachute no matter how much it gets tossed around! We CANNOT let it fall off! Got it? *(Pause.)* Okay, we have to help one another for it to work. Here we go!" *(Continue playing as long as the children are having fun.)*

At the end of the activity: "You did a wonderful job helping each other! Do you know that one of the ways God takes care of you is by giving you people to help you? It sure is! God will always take care of you. **Who will take care of you?** *(Pause.)* **God will take care of me."**

SMALL GROUP

God Gives Me People to Help Me.

Small Group Time

What you Need: Bible, stickers, dry-erase board and marker

SMALL GROUP LEADER (SGL): "What would you do if someone asked you to give them your very last bit of food ... and you were hungry? *(Pause.)* That's exactly what happened in our Bible lesson today. God told Elijah to go see a woman for food. When Elijah got to the woman's house, she told him all she had was a little flour and a little oil. She was going to make some bread with it for her son and her and then there would be no more food. None! Elijah told her to make him some bread first. But that's not all Elijah said. He told the woman to give him some bread and then God would make sure her flour and oil never ran out! AMAZING! God promised to take care of the woman, just like He was taking care of Elijah.

"In this lesson, God gave Elijah the woman to help him. And God gave the woman Elijah to help her. God gives you people to help you, too! It's one of the ways God takes care of you. **Who will take care of you?"**

CHILDREN and SGL: "God will take care of me."

SGL: "Yes, He will! Our Memory Verse says so! It says, 'My God will meet all your needs,' Philippians 4:19. Say that with me."

CHILDREN and SGL: "My God *(push both palms up into the air)* will meet *(bring both hands together in front of you in a clap/clasp on the word 'meet')* all *(do jazz hands from above your head down to each side)* your needs' *(jump and land with your hands on your hips and your feet planted like a cheerleader)*, Philippians 4:19." *(Open hands like a book.)*

SGL: "I have some stickers for you if you want to try saying it by yourself? Great job!!!"

"Okay, it's time to pray. This time we're going to make a list of some of the people God gives us to help us. When we pray we can thank God for them!"

Write down the children's names and what they say on the dry erase board. Remember to print the words so they can recognize their names and letters.

Prayer

SGL: "Dear God, You have given us so many people to help us and we want to say thank You. *(Name of child)* wants to thank you for *(person)*. *(Repeat for each child.)* You are so good, God! Thank You for taking care of us. We love You, God. In Jesus' name, amen."
