# LG OVERVIEW

## I Need Jesus

**WORSHIP LEADER:** "It's our last weekend this month, friends. You should know the answer to this question. Yell it out. **Who do you need? I need Jesus! Who do you need?"**

**CHILDREN and WORSHIP LEADER:** "I need Jesus!"

**WORSHIP LEADER:** "Yes! We all need Jesus. Let's sing about it!"

*Lead children in singing "Whoa I have Life" and "Praise the Lord Everyday".*

**WORSHIP LEADER:** "What amazing singing! You have really done a great job learning that new song. Now, remind me: **Who do you need?"**

**CHILDREN and WORSHIP LEADER:** "I need Jesus!"

**WORSHIP LEADER:** "Oh yes, you do. **I need Jesus!** You need Jesus. We all need Jesus. And Jesus is everything we need. Hey! That's our memory verse. Can you do the motions with me? 'You are everything I need', Psalm 119:57. Way to go. Let's see. I want to hear just the girls do it now. *(Repeat with the girls.)* Wow! Good job. Now, it's the boys' turn. *(Repeat with the boys.)* You all have really done well at learning your memory verse. I'm so proud of you.

**WORSHIP LEADER:** "We all need Jesus! This week our lesson is about 10 men who really needed Jesus— like in a very big way. The ten lepers needed Jesus to heal them, and He did. My favorite part of that story is the one guy who comes back to say "thank you." Let's get ready for our Bible lesson, I better go grab a seat so I don't miss a single minute of our Bible story!"

*Watch Video Lesson*

**WORSHIP LEADER:** "Jesus is everything we need wherever we are. We could be in the car driving to the store, and Jesus is there with us if we need Him. We could be on the playground, and Jesus is there when we need Him. Let's sing a song about that."

*Lead children in singing "Wherever, Whatever"*

**WORSHIP LEADER:** "That song is awesome! Thanks for singing with me. Remember, wherever we go, Jesus is there when we need Him. **Who do you need? I need Jesus!** Great job, everyone!"

*Worship Leader exits.*

Memory Verse –

**"You are everything I need."**  
**Psalm 119:57 NlrV**
