# ACTIVITY 1

## THE ANGEL AND MARY

### Snow Angels

#### Big Idea:

*“Snow Angels” is an activity that uses large motor movement and imaginary play to introduce the angel from the Bible lesson.*

**What You Need:** Fun preschool Christmas music  
(Optional: Bubbles)

#### What You Do:

*During the Activity:* Introduce the idea of making snow angels. Ask the children to lie on their backs and pretend to make snow angels on the floor while you play Christmas music.

*Optional: While the children pretend to make snow angels, blow bubbles in the air so they will fall on the children. Tell the children to pretend the bubbles are snowflakes falling on them.*

#### What You Say:

*During the Activity:* “Raise your hand if you have ever made a snow angel. What was it like? (Allow the children to share if they have made snow angels.) I can remember making them as a kid. It was super fun and super COLD! We would lie on our backs in the snow like this and move our arms and legs like this. (Demonstrate.) Hey! Let’s pretend it’s snowing and we’re making snow angels! (Play Christmas music.) Everyone lie down like this. Pretend there’s lots of white, fluffy snow on the ground. Now move your arms and legs like this in the snow. We’re making snow angels!” (Continue doing this as long as the children are having fun.)

*After the Activity:* “Whew! That was fun! Now, who wants to hear a story about a REAL angel? Me too! Our Bible lesson today is about a real angel who had a special message from God for a girl named Mary. Read the children’s story Christmas Angels by Crystal Bowman.

### Memory Verse –

“God loved the world so much that

#### What You Do:

*Before the Activity:* Hide the angels somewhere in the room but in children's view.

*During the Activity:* Encourage kids to look around to find the angels. Introduce all of the characters to the children.*

#### What You Say:

*Before the Activity:* "Hey, friends! There are two angels hiding in the room. Let's go look for them."

*During the Activity:* "Look high and low. Do you see the little angels? *(Pause.)* Good job finding the angels. Let's hide them and find them again. Close your eyes like this. *(Demonstrate covering eyes with both hands and putting your head down.)* I'll tell you when you can start looking again. *(Pause.)* Okay! Let's look and find the angels. *(Pause.)* Super job! Everyone come sit with me."

Give each child a handful of "Mail." Tell them their job is to deliver the mail to the basket with the matching color on the front when you say, "GO." Collect the mail and play again as long as the children are having fun.

*Older Children Option:* Divide the classroom into 4 teams and assign each team a color of mail. Have a relay race to see which team can deliver all of the mail first.

#### What You Say:

*During the Activity:* "Follow me. What color is this paper on this basket? (*Point to a basket.*) Yes! What about this basket? What color is this paper? (*Do this with each basket.*) Today we're going to play a game. You get to be a mail carrier and deliver all these letters. All you have to do is match the color of the letter to the color on the basket and drop the letter in the basket. When I say, 'GO,' I want you to deliver your mail as fast as you can. Ready? On your mark! Get set! GO!"

*After the Activity:* "That was fun! And you did an excellent job delivering those letters. The angel in our lesson today delivered a very, very, VERY special message to Mary. Do you remember what that message was? Yes! He told Mary she was going to have a very special baby named Jesus.

## THE ANGEL AND MARY

### Christmas Angel

#### Bottom Line:

*"Christmas Angel" is an activity that strengthens fine motor skills as it reinforces today's Bible lesson.*

**What You Need:** "Angel Body" and "Angel and Mary Sticker" from the Activity Pages, Avery® labels #5160, white cardstock, small white coffee filters, spray bottles, glue, markers, and glitter pens

#### What You Do:

*Before the activity:* Copy "Angel Body" from the Activity Pages on white cardstock, and cut the angel body out for each child. Make enough copies of "Angel and Mary Sticker" on the labels so that each child can have one sticker.

*During the activity:* Give each child a coffee filter and allow them to color them with the markers. Encourage them to color the entire filter on one side. When finished, lightly spray the colored filter with the spray bottle so that the colors run and then allow them to dry.

*At the end of the activity:* While you are waiting for the filters to dry, allow the children to make a face for the angel with markers and decorate their angels with the glitter pens. When they are finished decorating their angel, give them a "Mary and Angel Sticker" to go on the front of it. Once the filter is dry, fold it in half and glue together then assist them in gluing the filter to the back of the angel body to make angel wings.

#### What You Say:

*Before the activity:* "God sent an angel to tell Mary the bestest news EVER! What was that news? (*Pause.*) Yes! Mary was going to have a special baby—Jesus! **Why is Jesus special?** (*Pause.*) **Jesus is God's Son.**"

*At the end of the activity:* "Your angels look so beautiful! I have one last thing for you to put on the front of them. It's a sticker that says, 'The Angel and Mary' so you always remember the beginning of the true Christmas story."

## THE ANGEL AND MARY

### Story Sparklers

#### Big Idea:

*"Story Sparklers" is an activity that retells the Bible lesson while the children make their story sparkler for today. (Note: This activity will continue throughout the month of December.)*

**What You Need:** "Story Picture 1," "Story Label 1," from the Activity Pages found on the Website, cardstock, Avery® labels #5160, craft sticks, masking tape, glue sticks and permanent marker

#### What You Do:

*Before the Activity:* Copy "Story Picture 1" on cardstock and cut out, one per child. Copy "Story Label 1" on Avery® label #5160 or equivalent, one per child

*During the Activity:* Retell the Bible lesson as children color their angel and glue the cutout to the craft stick. Add the Bible story reference label to the stick and write children's names on the back.

#### What You Say:

*Before the Activity:* "We heard a great Bible story today as we start the countdown to Christmas! Christmas is the best time of the year!"

*During the Activity:* "Our lesson today was about the very best present there ever was! Who loves presents? *(Pause.)* Me too! I love them a lot! Well, today's present is most definitely a Christmas present AND it's a present from God to YOU! Did you hear that? That's right, this gift is for you *(point)* and for you and for you and for me too! God wants to show us how much He loves us, so He is giving us a verrrry special Christmas present. And the Bible says it all started with a young girl named Mary. Mary loved God and one day God sent an angel to see her. Do you guys know where angels live? Angels live with God. God sometimes uses them to deliver special messages to people. Mary was scared when she saw the angel! She'd never seen an angel before! But the angel said to Mary, 'Do not be afraid, Mary, I have a message for you from God. You are going to have a *(excited voice)* BABY! God is giving you HIS Son. You will name Him Jesus and He will be a gift for *(spread hands over head)* everyone!' And Mary said, 'I will do what God wants me to do!' That's amazing! Mary is going to have a baby and that baby is going to be God's Son, Jesus! Friends, take your picture of the angel and glue it to the craft stick like this. *(Demonstrate.)* Great! Now add the sticker right here on the handle. *(Demonstrate.)* This tells us where the story we heard today about Mary and the angel can be found in the Bible. *(Flip it over and write child's name on the stick.)* We are going to make a story sparkler like this one with each new story that will help us tell all the Bible stories."

*After the Activity:* "Wow! God sure loves us, doesn't He? Yes, God sent His Son, Jesus, to be our friend forever. That is the bestest news ever! Do you remember why it's the bestest news ever? *(Pause.)* I mean, **why is Jesus so special?** *(Pause.)* **Jesus is God's Son!** Yes, He is. Jesus is God's only Son and that makes Him very special."
