### **1. CONNECT GAME:**

#### **Number Plug-In**

**What You Need:** "Number Plug-in" (Activity Page), White board

#### **What You Do:**

Write these numbers on your white board:

- 127,852
- 500,000
- \$492,937.50
- 8 feet 3 inches
- 22 inches
- 12 minutes 47 seconds

Hold up each word record sheet. Read the world records together and show kids the numbers on the white board. Allow kids to choose which numbers go in each blank. After they have answered, check their answers. Congratulate your group if they got them all correct. If not, tell them how many numbers are out of place and give them time to rearrange until all answers are correct.

**2. BIBLE LESSON:**

Today's story is about Jesus' cousin, a guy by the name of John the Baptist. Now for those of you who don't know who this is, John the Baptist had been chosen by God to prepare the way for Jesus. See, God was going to send his Son into the world, but the people were not ready. They had fallen away from God and needed to turn back to Him. So God sent John on this important mission to call the people back to God. After the people turned from

their sins, John would baptize them in the Jordan River. Thus the name John the Baptist. John continued to call people back to God and told them that the Promised One, Jesus, had come into the world. "
