2. BIBLE LESSON:

"For this story, we have to go way back to the early days of the nation of Israel. God had freed His people from slavery and led them out of the land of Egypt. But the Israelites would face difficult days in the desert. They got hungry and they got thirsty. It was, after all, a desert! But God showed His people that He could be trusted. He provided food and water for them in miraculous ways with bread from the sky and water from rocks!

"But they would end up facing other difficulties too. They were under the constant danger of enemy attack."
