### **3. RELATE QUESTIONS:**

- When Jesus died on the cross, the disciples thought everything they had worked for was over and done with. When have you felt like something you worked for was over and done with? Was it really over and done with?
- We know how much Jesus loves us that He would suffer and die on the cross for us, and we know that He calls us to take up our cross and follow Him. With that knowledge and with the promise of Jesus in our Memory Verse that we will have trouble in the world, why do you think that sometimes we get upset with God when our lives don't turn out as easy and painless as we might want?
