**HOST:** "Welcome to our summer series called ZAPPED! We have been following the life of Peter to see what it means to be ZAPPED by God's power. Peter had some amazing things happen in his life because he was plugged into God's power. In case you have missed any of the last 3 weeks, here's what we have learned about Peter so far....

1. The first week we learned that Peter dropped everything he was doing to follow Jesus when he asked to.
2. In week 2, we found out that Peter learned to depend on God when he walked out on the water during a storm
3. And, finally last week Jesus asked Peter who people say he is? Peter told Jesus that Jesus was the messiah and the son of the living God.

Before we see what we have to learn about the life of Peter today, let's play our ZAPPED game!

**Host:**

SFX: Play Wrap up theme music under the Host's monologue as he speaks to the audience.

It's hard to believe that Peter denied that he knew Jesus. But what's even more incredible is the forgiveness that Jesus showed him. If Peter had just remembered all the amazing things that he knew about Jesus when he was afraid, he probably wouldn't have denied knowing Him. You'll have times in your life when things are hard—but remembering all the things about Jesus that we've learned so far will help you know that He's always there for you. So, **when things get hard, don't forget what you know.**

**CG – Week 4 Bottom Line Don't Forget slide**

Let's say it together, **When things get hard, don't forget what you know.**

I can't wait until next week to see what else is going to happen in Peter's life! Let's pray:

*"Dear God,  
Thank you that you are always there for us even when things get hard. Help us to stay plugged into your power so we always know what you want us to do. We love you, Amen."*
