3. Playing Bible Lesson: Jesus is Alive!

"Parkview Kids, how are you doing today? *(Pause)* Awesome, my name is [Host's name] and welcome to the Alley. We are in a series called GOOAL! We are talking about humility. Well just in case you don't know what humility is, here is a definition."

"Putting others first by giving up what you think you deserve."

"Often times we think that someone who is humble is someone who is weak, but in fact there are a lot of really awesome people who are humble. Take Tim Tebow. Now, you know him as an awesome football player. What you might not know about Tim is he also gives up his time and money to his own organization called the Tim Tebow Foundation. He has an event called *A Night To Shine*, a dance where students with special needs come and have their very own prom. The foundation also supports missions and helping others. They plan on building a children's hospital in the Philippines soon. Rather than using his money just for himself, Tim is using his money to help others and by doing that, he is choosing to be humble.

"However, there is someone who is even more humble than Tim. In fact, Tim would even agree. His name is Jesus. We are looking at how Jesus was the most humble by giving up everything. So face towards the screen and check out this week's video."

4. Ask Relate Questions:

- What are you looking forward to the most about Easter?
- Imagine you are a disciple, what would you have done if you saw Jesus appear in the room?
- How did the disciples put others first after Jesus rose again? *(they gave up everything and shared the good news of Jesus coming to set us free from our sins).*
- What is a way we could put others first this week? *(Let someone else go first, sharing, doing chores, giving up time to help, serving).*
