2. **Connect Game:** Will They Make It? (Sports Edition)

The video will give the kids two options and they have to decide whether they think they will make it or they will not make it. If they think they will make it, have them go to the right, if they don't think they will make it, have them go to the left. Your job is to hype the kids up and keep the energy high.

3. **Playing Bible Lesson: The Great Commission**

“Parkview Kids, how are you doing today? *(Pause)* Awesome, my name is [Host's name] and welcome to the Alley. We are in a series called GOOAL! We are talking about humility. Here's a definition.”

“Putting others first by giving up what you think you deserve.”

“We can be humble by putting others before ourselves. By giving up what we have to someone else or giving credit to someone else we are being humble. I can't think of anyone better at that than Jesus. Jesus put others before himself over and over. In fact, we just celebrated Easter to remember that Jesus died for us and was resurrected again.”

“Today, we are talking about how Jesus wants us to put others first by giving us a mission. Jesus gave us the job of telling others about him and this is the most important job of all. So, face towards the screen and check out this week's video.”

4. **Ask Relate Questions:**

- What would you do if you saw Jesus ascend into heaven with the angels?
- What do you think the disciples did after Jesus gave them the great commission? *(they gave up everything and went out into the world sharing the gospel with everyone)*
- How do we live out the great commission today? *(Sharing Jesus with our friends, follow the Bible, support a child, serve a friend)*
