LG OVERVIEW

CREATION DAY 3

WORSHIP LEADER/HOST: “Hey, everyone! It is great to see you today! We're having a great time this month learning that **God made everything! Who made everything?**”

CHILDREN and WORSHIP LEADER: “**God made everything!**”

WORSHIP LEADER/HOST: “That was good, but I bet you can say it even louder! **Who made everything?**”

CHILDREN and WORSHIP LEADER: “**God made everything!**” *(Repeat several times)*

WORSHIP LEADER: “You got it! **God made everything!** I can't wait to sing about it!”

Lead children in singing “Everybody Sing” and “My God is Number One”

BIBLE VERSE: “That was super! Now let's say our Bible verse together. Do you remember it? It says, ‘You made the world and everything in it’, Psalm 89:11. Will you say it with me?”

BIBLE VERSE: “Now let's whisper it.” *(Whispering) (Repeat Several Times)*

STORYTELLER: “Hello, passengers! Conductor [Storyteller's name] here. Welcome to the Creation Station, where we learn that **God made everything!** Remember, when I say, ‘All aboard,’ I want you to toot your train horns like this *(pretend to blow a train horn with your arm)*. Toot! Toot! Let's try it together! All aboard!”

CHILDREN: *(Pretending to blow a train horn.)* “Toot! Toot!”

STORYTELLER: “Great job! Hmm ... let's see. *(Walk to first car.)* On Day One, we learned that God made light and dark. That was cool. *(Walk to second car.)* And on Day Two, God made sky and water. Awesome! *(Walk to third car.)* What's the number on this car? *(Pause.)* Number three. That's right. Now it's time to hear about the third day of Creation!! Hmm, I wonder what God made on the third day of creation? When I need answers, I look in the Bible! *(Hold up the Bible and then open it.)* Oh, my goodness! You will never guess what it says right here in the Bible! It says that on Day Three, God made the land, plants and sea. Let's watch our video lesson to find out more about Day 3 of Creation.”

Watch Video Lesson

STORYTELLER: “That is AH-MAZ-ING! It is so important that we have land, plants and sea. **God made the land, plants and sea on the third day. But God didn't just make land, plants and sea. No way! God made EVERYTHING! Who made everything? God made everything!**”

PRAYER: “Yes **God made everything! God made me,** and God made you, too. Let's pray together and thank God for creating everything!”

WORSHIP LEADER/HOST: “Let's sing one more song together!”

Lead children in singing “God does Great Things.”

WORSHIP LEADER/HOST: “Thank you for singing with me today! I love hearing the incredible story about what God created. That includes you and me. **God made me,** and God made you. **God made everything!**”
