# LG OVERVIEW

## CREATION DAY 4

**WORSHIP LEADER/HOST:** "Hi, everyone! I am so very happy to see you! Today we are going to hear another amazing story from the Bible! First, though, let's practice something that we have been learning all month long. Let's see if you can answer my question. **Who made everything?"**

**CHILDREN and WORSHIP LEADER:** "God made everything!"

**WORSHIP LEADER/HOST:** "That was good, but I bet you can be so loud that everyone in the church can hear you! **Who made everything?"**

**CHILDREN and WORSHIP LEADER:** "God made everything!" *(Repeat several times)*

**WORSHIP LEADER/HOST:** "You got it! **God made everything!** Now let's sing about it!"

Lead children in singing "Everybody Sing" and "God does Great Things"

**BIBLE VERSE:** "That was amazing! Great job! Now let's say our Bible verse together. Do you remember it? It says, 'You made the world and everything in it', Psalm 89:11. Will you say it with me?" *(Repeat Several Times)*

**STORYTELLER:** "Hi there, passengers! I'm so happy to see you back here at the Creation Station, where we learn that **God made everything!** All aboard! *(Pretending to blow a train horn with your arm)* Toot! Toot! Let's see if we can be even LOUDER! All aboard!"

**CHILDREN:** *(Pretending to blow a train horn.)* "Toot! Toot!"

**STORYTELLER:** *(Walk over to first car.)* "Remember, on Day One, God made light and dark! *(Walk over to second car.)* And on Day Two, God made sky and water! *(Walk over to third car.)* And on Day Three, God made land, plants, and sea! *(Walk to fourth car.)* What's the number on this car? *(Pause.)* Number four. That's right. Now it's time to hear about the fourth day of Creation!! Hmm, I wonder what God made on the fourth day of creation? When I need answers, I look in the Bible! *(Hold up the Bible and then open it.)* Oh, my goodness! You will never guess what it says right here in the Bible! It says that on Day Four, God made the objects in the Sky. Let's watch our video lesson to find out more about Day 4 of Creation."

*Watch Video Lesson*

**STORYTELLER:** "That is AH-MAZ-ING! It is so awesome that God made the objects in the sky. **God made the objects in the sky on the fourth day. But God didn't just make the objects in the sky. No way! God made EVERYTHING! Who made everything? God made everything!"**

**PRAYER:** "Yes **God made everything! God made me, and God made you, too. Let's pray together and thank God for creating everything!"**

**WORSHIP LEADER/HOST:** "Let's sing one more song together!"

Lead children in singing "My God is Number One."

**WORSHIP LEADER/HOST:** "Thank you for singing with me today! I love hearing the incredible story about what God created. That includes you and me. **God made me, and God made you. God made everything!"**
