STORYTELLER: "Hey friends! It's great to see you today. I have an AWESOME true story to share from the Bible. If you remember from yesterday, we heard about a man named Noah. Noah loved and trusted God and obeyed when God asked him to build an ark and filled it with two of every animal. When the rain came down on those 40 days and 40 nights, the animals and Noah and his family were safe and protected inside the ark. But that isn't the end of the story! Let's watch our video lesson to find out more about Noah and how God keeps His promises.

Watch Video Lesson

STORYTELLER: "Wow! The whole earth was covered in water! Eventually the ark found dry land and God sent a rainbow as a promise that He would never flood the whole earth again. So the next time you see a rainbow in the sky, remember that God keeps His promises and you can trust Him. **Who can you trust? I can trust God!**"

PRAYER: "God, we know that You keep Your promises! You sent a rainbow as a reminder of Your promise, and Your promises are true! We're glad we can always trust You, God. Thanks for loving us. Amen."

WORSHIP LEADER/HOST: "Now let's stand and sing two more songs."

Lead children in singing "God Does Great Things" and "I Can Count On God"

WORSHIP LEADER/HOST: "I love singing about God! Thank you for worshipping with me today! One more time - **Who can you trust? I can trust God!**"
