What You Need: Deck of Cards (1 deck per 4-5 kids), and Hand Sanitizer

What You Do:

 - Rest of the cards (not in a player’s hands) face down in the middle spread out

 - Waiting until I'm older to use my gifts
- How important do you think it is to *know* the gifts God has given you? Why?
- What are some ways you can make the most of what God has given YOU this week?

5. Make it Personal with Prayer

What You Need: No Supplies Needed

What You Do:

- Remind kids that the story Jesus told about the talents isn't just about wasted money; it's also about wasted opportunity.
 - God has given them talents, abilities, opportunities, family, love, health and life itself because He has a purpose for their lives.
 - It's up to each of us to make the most of what we've been given (whether we have a lot or a little) and not let it go to waste.
- Tell kids to put up the number of fingers that best fits the way they would finish the following sentence: "This week I need God's help to . . ."
 - not waste my time (1 finger)
 - work at developing a talent I have (2 fingers)
 - look for fun ways to use my gifts (3 fingers)
 - not be afraid to use what I have to serve God (4 fingers)
 - read a Bible plan on the Bible App (5 fingers)
- Allow kids a few minutes to share any details they'd like about their choices then encourage them to pray aloud or silently for themselves and others in the group.

What You Say:

"Dear God, thank You for entrusting us with so many good things. Help us to be responsible with them and increase all You have given us for Your glory. Amen."
