Countdown/Worship Song #1: Thank You God for Everything

Key Question/Bottom Line:

Who helps you do big things?

God helps me do big things!

Monthly Bible Verse:

"I know that God helps me." Psalm 54:4

Bible Story Intro:

Have you ever been asked to do something so big and you didn't think you could do it? Maybe you had to clean up a BIG mess or reach something really high or carry something really heavy and it felt like it was too big of a job for you to do. Today in our true Bible story Moses has a really big job to do and he couldn't do it by himself. He needed help! Let's watch to find out how God helped Moses do big things.

Ollie Video: Aaron & Hur Help Moses

Bible Story Recap

Moses needed to keep his staff high in the air over his head so that the Israelites would win the battle. But his arms got tired. The job was so big, he needed people to help. So God sent people to help him! God gave Moses Aaron and Hur to help him do his big job so the Israelites could win. God helps us do big things, and sometimes that means we need people to help, so God gives us people to help us do big things!

Friends, let me ask you that important question one more time – Who helps you do big things? God helps me do big things! Let's say it again! Who helps you do big things? God helps me do big things!

Sample Prayer:

*"Dear God,
Thank you for giving us friends to help us do big things
Just like you gave Moses.
Help me to remember your BIG love for me. We love you, God.
In Jesus' name, Amen.*
