Countdown/Worship Song #1: Always With Me

Key Question/Bottom Line: Teach this for the first time!

Who helps you do big things?

God helps me do big things!

Monthly Bible Verse: Teach this for the first time!

"I know that God helps me." Psalm 54:4

Bible Story Intro:

Have you ever been asked to do something so big and you didn't think you could do it? Maybe you had to clean up a BIG mess or reach something really high or carry something really heavy and it felt like it was too big of a job for you to do. Today in our true Bible story we're going to hear about a guy named Noah who had a BIG job to do. But God helped him because God helps us do big things! Let's watch to find out what BIG job Noah had to do.

Ollie Video: Noah's Ark

Bible Story Recap

What was the BIG job Noah had to do? (Pause.) That's right, he had to build a big boat called an Ark! And who was supposed to go on the Ark? (Pause.) Yes, Noah's family and lots of animals. When the rain came, God kept them safe in the Ark. What did God put in the sky after the rain stopped? (Pause.) A rainbow! And that rainbow reminds us that God's love for us is SO BIG and that God keeps His promises. Now every time we see a rainbow we can remember God's love and remember that God helps us do big things.

Friends, let me ask you that important question one more time – Who helps you do big things? God helps me do big things! Let's say it again! Who helps you do big things? God helps me do big things!

Sample Prayer:

"Dear God,

Thank you for helping Noah do big things

And thank you for helping me do big things.

Help me to remember your BIG love for me. We love you, God.

In Jesus' name, Amen.
