CRAFT WEEK 1

Light and Dark, Sky and Water

SUPPLIES: Story page, sticker, black, dark blue, yellow, and light blue paper, glue sticks

What You DO and SAY:

⇒ **Give each child a story page.**

- *"Friends, come sit at the table. Today we learned about how God started to make everything, so we're going to make a craft to remind us of what God made."*

⇒ **Give each child a set of color cards (black, yellow, dark blue, light blue), glue sticks, and a label sticker. Review the story as you guide the children to glue each paper to a different section and attach the sticker.**

- *"Your paper has four sections. Take this black rectangle and glue it in this bottom section. (Point.) In the very beginning there was nothing. No people, no animals, no land, no ocean, no sun, just nothing... but there was God. And God was about to do something AMAZING! On the first day, God said, "Let there be...Light!" And there was light.*
- *"Glue this yellow paper to this rectangle, (Point.) above the black paper. And God saw that it was good. Then God decided to separate the light from the darkness. Point to the yellow paper. God called the light "day." Point to the black paper. And the dark, "night!"*
- *"Okay! Now glue this light blue paper to this rectangle on the top (Point.) and this dark blue paper under it in this rectangle. (Point.) On day two, God said, "Let there be a sky above and water below." Point to the light blue paper. God put the sky way up high. Now point to the dark blue paper. God put some water way down low. And Then God looked at what He had made and saw that it was good.*
- *"Now I have one more thing for you to add to your Creation story picture. This label tells you where you can look in the Bible to find today's story. Stick it in the middle of your paper. (Pause.) Super job!"*

⇒ **Bring it back to the Bottom Line**

- *"God is so creative! God had so many more plans of what to make next... because God made everything! Now when you look around at our great big world and see the light and dark, and the sky above the water, you can say, 'Wow!'"*
- **"Who made everything?"**
- **"God made everything!"**

- ⇒ **Bring it back to the Bible Story and Bottom Line.**

Now tell me: **Who made everything? God made everything!** Let's let someone else roll it this time. (Repeat as desired, reviewing the bottom line after each action.) Who made everything?

God made everything!

PRACTICE THE MEMORY VERSE

Thank you for making me.

Thank you for loving me.
