Countdown/Worship Song #1: Great Big God

Key Question/Bottom Line: Teach this for the first time!

*Who made everything?
God made everything!*

Monthly Bible Verse: Teach this for the first time!

"God saw everything he had made. And it was very good." Genesis 1:31

Bible Story Intro:

Friends, our memory verse comes from a book called the Bible. (Hold up a Bible.) The Bible is full of true stories about God and God's people. This book is where we can learn about Jesus, and all the other people we've talked about here. But this month we're going back to the very beginning. Before all those people, all the way back to the very beginning when there was nothing except God. And all the way back in the beginning, we'll see how God started to create everything.

Ollie Video: Light & Dark, Sky Above Water

Bible Story Recap

God created the world in 7 days. On day 1, what did God create? (Pause.) That's right, light! On the first day, God made light and called it day and dark and called it night. Then, on day 2, what did God make? (Pause.) Right, God separated the sky above the water! So now we have day and night and sky and water, and God saw everything he had made and it was very good! But God wasn't done yet! God still had lots of things to make and we'll keep learning about that next week.

*Friends, let me ask you that important question one more time – **Who made everything? God made everything!** Let's say it again! **Who made everything? God made everything!***

Sample Prayer:

*"Dear God,
Thank you for making light and dark and sky and water. Thank you for making me. And thank you for loving me. We love you, God. In Jesus' name, Amen.*
