

ALLEY Rundown – Oct 31st - Nov 1st, 2026 - BLESS WEEK 4

Bible Story: Jesus Washes the Disciples' Feet (John 13:1-17)

Bottom Line: S: SERVE

Monthly Memory Verse: He said to them, "Go into all the world. Preach the good news to everyone." Mark 16:15 NIV

LG SUPPLIES: 2 Inflatable balls, masking tape, 10 hula hoops

NOTE FOR LG LEADERS:

Our entire church is participating in a special alignment series over the next five weeks. This means both kids and adults are receiving a similar message. This content is coming from a different resource than we usually use, and certain elements may look different during this series. Have fun on this special mission and thank you for making a Kingdom difference in the lives of PARKVIEW KIDS!

PRE-SERVICE VIDEOS: *Dude Perfect*

SLIDE: *Theme*

Greetings, space cadets! We are so happy that you are here today! We have been having a blast learning these past few weeks learning how we can BLESS everyone around us! Being a blessing means that we can show the love of God in special ways!

Every week we have been going on special missions with each other while also imagining that we are space cadets exploring outer space! I have to tell you all, I have been waiting all week to be back here with you all! This is our fourth week of accepting our special missions. Last week we learned how to EAT like Jesus, and we'll find out what our fourth mission will be very soon! But, first, it's time yet again to play another SPACE game together! Woo Hoo!

GAME: SATURN RING TOSS

To prepare for this game you will need to place masking tape on the bottom of two balls and attach them to the ground, so they don't roll away. Make sure to space each ball far enough apart so that kids have room to compete against each other at the same time.

Make sure to space the teams far enough away from the ball so that it is an appropriate challenge for their age/ability. If you notice that one team is having too easy of a time making the first toss, adjust as necessary so it is a fair challenge for both teams.

Can anyone tell me what the circles around Saturn are called? Yes! Rings! Today, we are going to be playing a game where we have two teams compete against each other to see how many rings each team can toss onto their planet, just like Saturn!

The name of this game is called, "Saturn Ring Toss"! I am going to need four different space cadets to volunteer and come up for this game.

Choose two kids from each side of the room, so there is a total of four kids.

Okay, friends, each duo has the same number of rings. When I say, "go", both sets of partners will take turns each throwing rings onto their planet. You all have 30 seconds to attempt to get as many rings onto your planet as possible. The team with the most rings at the end of 30 seconds, wins! Let's put our 30 second countdown back up on the screen.

VIDEO: 30 SECOND COUNTDOWN

Get ready, get set... toss those rings!

Well, done space cadets! That was a great game and a fun way to get in the mood for today's space mission! Some of you will remember our memory verse.

SLIDE: Memory Verse

He said to them, "Go into all the world. Preach the good news to everyone." Mark 16:15

Friends, for the next TWO weeks we are still pausing our normal curriculum and doing something different. What's so fun about this mission that we are learning what your adults are going to be learning about their special missions, too! Right now, just like us!

Well, our special mission this week begins with the fourth letter of BLESS! So, this week our special mission begins with the letter, "S". Remember, each week's mission is a TOP secret. The only way we can find out what our next mission is, is to watch our video for this week!

Well, it's finally here. It's time to explore some more, Cadets! Roll that video! (point to the screen)

VIDEO: Play SPECIAL MISSION, Week 4

Wow, this mission for Captain Brightyear and Cadet Mae one was the most fun yet! What did you guys think of the space slime? Gross or fun? Haha! I thought it was fun!

Okay, let's see who remembers what the special mission was for this week. Hold on, I'll give you a clue, it starts with the letter, "S"!

Yes! The special mission this week was for all of us to "SERVE".

SLIDE: BOTTOM LINE, week 4

In the Bible story that the astronauts read this week in their Operation Manual, Jesus taught us how to SERVE like Him

How will that look this week for your missions? Well, maybe it means washing someone you know's feet this week. I bet it would really shock adults that KIDS can serve just like Jesus did.

Or, maybe it means helping someone out without them having to ask. That can be jumping in to help your teacher clean up at school, or pulling weeds for an older neighbor. Whatever you do, make sure you remember to BEGIN WITH PRAYER and ask Jesus to help you show big love when you do it. I can't wait to hear everyone's stories next week. I bet you guys can come up with some awesome ideas for how you can put someone else first.

And remember, there is a special challenge you can do with your family! Your parents will get that challenge in a text OR it will be on the car hangar you got one of the last few weeks. IF you didn't get one, grab it on your way out.

As part of our worship, we can GIVE GENEROUSLY with our Time, Talents, and Treasures. In this City we are looking to bless and serve those In Africa with our offering money which we will talk about in a minute. But first, let's pray.

Jesus, you came to teach us to love others just as much as we love ourselves. I am so thankful that we get to serve a God who taught us this important lesson. We love you SO much, please help us to LOVE like you. Amen.

Before we head into small groups, I want to tell you about a special event coming THIS FRIDAY!

SLIDE: Alley After Hours

We have an extremely fun night planned just for you this Friday, November 6th. Alley After Hours is ONLY for 4th and 5th graders, and we are taking over the whole church!

It's one epic night of jumpys, games, epic ball, 9square, crafts, and prizes! Just bring yourself, all your friends and some money to buy candy and slushies, too. And the best part is - we will have an end of the night battle between 4th and 5th graders to see which one of our mystery leaders will be slimed!

OFFERING

In Parkview Kids, we want to have fun but also be the hands and feet of Jesus by helping others who are in need. This year we are collecting our offering money to help kids all the way on the other side of the world in a country in Africa called Malawi. Did you know that in this area many communities don't have access to clean water?

Slides: 1-4

We are helping a ministry called E3 which helps put in freshwater wells. Having a well with clean water right in their village means women and children don't have to travel far away to other villages to get clean water, and they don't have to walk with heavy containers of water. Help us raise money to provide wells in the communities in Malawi. We want you to go home and ask what YOU can do to raise money for these families in Africa!
